BARKELYBLE, ALLEGANY COUNTY, (Md.)

May 4, 1852.

To Mesers Mortimer & Morebroy:

DEAN Sins: In Justice to Dr. Hampton's Vegetable Tinoture, I wish to inform you that I was raken sick on the 3d day of January last, with an affection of the stomach, bowels, and kidneys. I was attended by four eminent physicians for more than two months—al. to little or no effect. I had some knowledge of the great virtue in Hampton's Tincture from one bottle which my wife had taken two years since. noe.

I came to the conclusion that I would take no more medi-cine from my physicians, but try the Tincture; and I am happy to inform you I had not taken it two days before I felt its powerful influence upon my stomach. I have con-tinued using the Tincture, and am now able to leave my room, and can eat say common diet without much incon-venience or pressure on my stomach.

The afflicted or their friends are daily visiting me, to learn of the great virtue there is in this Tincture of Hampton's.

I expect to send you several certificates in a few days—one especially from a young lady who has been confined to her room twelve months, with a disease of the head, affecting the brain.

e brain. Respectfully yours,

On the permancy of the cure hear him. Still another letter from the above:

BERRELLVHLE, ALLEGARY COUNTY, (Md.);

Meers Mortimar & Movebray:

DEAR SIRE: I am happy to inform you that this day make me in the enloyment of good health, by the use of your Hampton's Tineture and the blessing of God. I am enabled to pursue my daily avocations as usual, and I have a great depire that the afflicted should know the great curative powers of the Tineture.

I am with respect, yours,

E. W. HALL.

THE ALMOST MIRACULOUS CURES made by Hamp Vegetable Tincture on our most respectable citi-men well known and tried—we challenge the world to show anything on record in medicine to equal it. Man-hundreds who have felt its healing powers bear the same test

Mezra Mortimer & Monebray: Gents: Last September I was attacked with eryspelas, from which a dreadful uler formed on my right lee. Getting better of this, last November I took a deep cold, which led to what my physician took me was billious pleurisy, which left me with a constant, deeply-seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, siter having tried many and various remedies, without success, a friend advised me to try DR. HAMPTON'S VEGETABLE TINCTURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but two bottles, my cough and pains have entirely left me, and I am enabled to attend to business. I can truly say that, with the beasing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.
